1 Click **Plans** at the top.

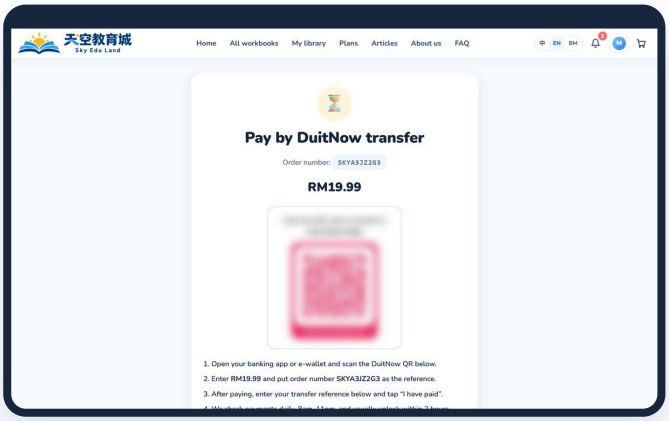

2 Choose **1 month** or **3 months** (3 months saves more).

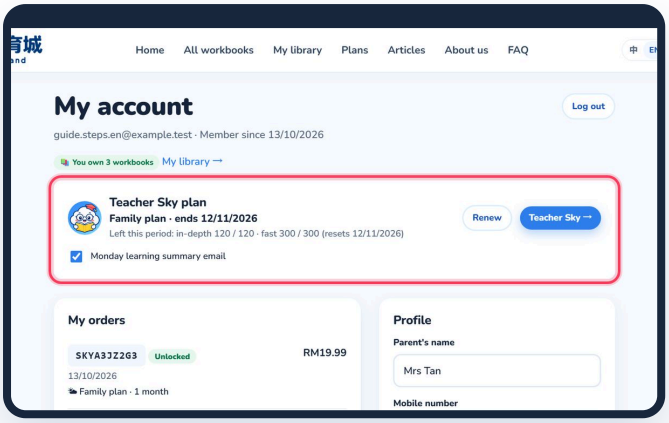

3 Pick a plan and click **“Subscribe”**.

4 Same as buying a workbook: scan the DuitNow QR, pay and click **“I have paid”**.

5 Once active, **My account** shows your plan, end date and questions left.

💡 We remind you by 🔔 and email 3 days before it ends. Renewing adds the days after your current ones; switching turns the days left into days of the new plan.
